City of Piney Point Inspectors are the only ones authorized to fill in the project job cards. The job cards are to remain on site at all times until the completion of the project.

This is to help assist you in your new construction process as it pertains to new construction inspections.

All re inspections are \$50.00 and must be paid in advance of re scheduling the inspection on line.

You have up until mid night the night before to schedule your inspection.

All inspections are done on line and a day in advance.
