Special Notes to Inspector:

All inspections are called in a day in advance. Permit & plans must be on the project job site at the time of the inspection. Re-inspections fees will need to be paid prior to scheduling the re-inspection. The re-inspection fee is \$50.00. When requesting and inspection, you must make sure that you are ready for the inspection. Please plan accordingly. You can also request your inspection on line by visiting our website at www.cityofpineypoint.com. On the main web page, in the brown box, click on Building Permits, look on the left hand side of the page and you will see, **schedule an inspection**. City fax number is (713) 782-3178. City Building Department Phone Number is (713) 782-1757. Inspection results can also be checked on line.
