Re: Letter of No Objection for **Preliminary** Plat of Tr 5 Stillforest
1 Lot, 1 Block, No Reserve, aka 6 Stillforest, Piney Point Village, Texas

Dear Commissioners:

Memorial Villages Water Authority (the "Water Authority") has reviewed the proposed **Preliminary** Plat of the above referenced single family residential lot in the City of Piney Point Village. In our review, we have determined that the proposed Plat will not adversely affect either the existing sanitary sewer system or existing water system that serve property along Stillforest nor the existing services to this proposed lot as this property is currently served with water and sewer service. Should a new residence be proposed on this lot, the owners are required to obtain a "Letter of Water and Sewer Availability" from the Water Authority prior to obtaining a building permit.

If you have any questions, you may reach me at 713-465-8318.

Sincerely,

A handwritten signature in blue ink, appearing to read "Trey Cantu".

* All HCAD residential building measurements are done from the exterior, with individual measurements rounded to the closest foot. This measurement includes all closet space, hallways, and interior staircases. Attached garages are not included in the square footage of living area, but valued separately. Living area above *attached* garages is included in the square footage living area of the dwelling. Living area above *detached* garages is not included in the square footage living area of the dwelling but is valued separately. This method is used on all residential properties in Harris County to ensure the uniformity of square footage of living area measurements district-wide. There can be a reasonable variance between the HCAD square footage and your square footage measurement, especially if your square footage measurement was an interior measurement or an exterior measurement to the inch.
