GENERATOR SUBMITTAL CHECKLIST

	Type of Application	Description	Application Form <small>(please print and attach forms)</small>
	Generator Permit Application	The Generator Permit must Include the fee for the generator and the concrete pad.	Generator Permit Application
	Electrical Permit Application	The Electrical permit must include the electrical work only associated with the generator.	Electrical Permit Application
	Plumbing Permit Application	Plumbing permits can be submitted with your generator packet but not required. Plumbing contractors can submit their permit after the Generator has been approved.	Plumbing Permit Application
	Site Survey	A survey must be included with your application. (The survey of the property does not have to be current)	Site Survey Example
	Generator Pad Location Acknowledgement	Must include all generator distances. The generator can be 18 inches from the structure depending on the generator manufacture specifications. Depending on the size of generator the distance from the structure may be greater.	Generator Pad Location Application
	Homeowner Affidavit Form	This form is required to be completed even if there's no active Homeowner Association. If in a Homeowner Association neighborhood, you must have HOA Approval.	Homeowner Affidavit Application
	MVWA Approval	The Memorial Village Water Authority must approve your generator application.	MVWA Application
	CenterPoint Approval	CenterPoint must approve your generator application to ensure the property, and the street can meet the electrical load demands for the new generator.	CenterPoint Generator Application
	Generator Manufactures Specifications	Please provide a copy of the generators manufactures specifications.	*Attach Generator Specs
	Generator Transfer Switch	Please provide the electrical transfer switch specifications for the generator.	*Attach transfer switch specs
	Foundation Concrete Pad Details	Please provide the concrete pad specifications. If this is a prefabricated concrete pad that comes with the generator, Please let the city know.	*Detailed foundation drawing
	Tree Disposition Application	The form needs to be completed if any trees are to be removed as part of the concrete pad location.	Tree Disposition Application
	Generator Screening Information	All generators must be screened from the street. Screening can be either landscaping or fence material.	*Select method of screening either by detail description or photo

**Please print this document and attach this to all the documents.
You can drop off during normal business hours.**
